- If there are at the closing more entries than can be processed per planned session duration, the
 organization reserves the right to limit the entries. This in consultation with the KNZB Taskforce
 Masters Swimming.
- Limitation will be based on a percentage of the World Masters Records (WMR) according to the following formula:
 - o Points = WMR/entry time*1000 + Category Age
 - o Here the WMR will be used of the course length in which the entry time is swum
- Swimmers of Age Category 65+ and older will not be limited on the 50m distances. Swimmers of Age Category 80+ and older will also not be limited on the 100m distances.
- In case of limitation there will be a reserve list in order of points.
- If at the closing date for entries there are fewer than 2000 starts, the organization reserves the right to cancel or adapt these championships, after conferring with the KNZB Taskforce Masters Swimming. This will be communicated to those concerned at the latest within a week after the closing date.

Start procedure

- There is no marshalling area. Swimmers have to make sure themselves to be at the start at time. There will be no waiting.
- The one-start procedure will be in effect.
- There will be overhead starts (except the relays).
- After finishing swimmers must stay in their own lane, to the side and at a distance of least 1 meter from the electronic touchpad. After the start of the next heat, or after directions from the officials, swimmers should leave the water as soon as possible.
